

# ARE YOU LOOKING FOR THE FINISHING TOUCH?

How to find us.

Leave the A69 at the Hexham turn-off. After crossing the bridge go straight across two mini roundabouts, at the third roundabout which is at the entrance to "Tesco Superstore" follow the road around to the right along Haugh Lane. About three hundred yards along Haugh Lane turn right into Haugh Lane Industrial Estate which is immediately after A.T.S. Tyre Services. Follow the road into the estate (which is in the form of a "J") to the dead-end, we are on your left at the end of that road, where there is ample parking for small and large vehicles.

We look forward to seeing you.
